

Earn a **3** Cent per gallon rebate on fuel purchases*

with the Shell Fleet Plus Card

Now, your participation as an **FTD** Member brings you the benefits usually reserved for our largest customers.

APPLY TODAY and start saving money soon!

Start saving money

- **Earn a 3 Cent per gallon rebate on fuel purchases!**

You will receive your rebate in a form of a statement credit that will be automatically posted to your monthly billing statement. When calculating the amount of credit, we will multiply the number of gallons by three cents (\$0.03) and round to the nearest cent.

- No minimum purchase required
- No fees for additional cards

Track expenses and control costs

- Easy-to-use Fleet Management Reports
- Track purchases by vehicle, driver and department
- Optional odometer prompt
- Purchase restrictions: fuel only; fuel & oil only; fuel, oil & maintenance or no restrictions
- One-station cards - a convenient option for Shell stations you visit frequently

Enjoy added convenience

- Driver prompts limit access to authorized users
- Drivers can pay at the pump and get back on the road quickly
- Accepted at thousands of Shell locations nationwide
- Accepted at Jiffy Lube® locations
- Manage your account and monitor unbilled transactions online 24/7

Complete and fax the enclosed application today!

Fax completed application to 972-653-8003.

Questions about the Shell Fleet Plus Card? Call 972-653-3127 or email shellfleetcard@citi.com

* Subject to credit approval. The Shell Fleet Plus Rebate Program is subject to change at any time without notice. Maximum diesel rebate is \$300 per month. In the event gallon information is not available for a specific transaction, we will determine the number of gallons purchased by dividing the total purchase amount by an average price per gallon amount obtained from the U.S. Department of Energy. We will use the average price per gallon from the U.S. Department of Energy for the specific grade of gasoline purchased, or in the event the gasoline grade information is not provided to us, we will use the average price per gallon amount from the U.S. Department of Energy for regular unleaded gasoline.

Flowers say it better. FTD says it best.™
