Prices are subject to change. FTD<sup>®</sup> reserves the right to accept or reject orders.

Prices do not include freight. FTD<sup>®</sup> shipping and handling charges are 20% of the value of each carton, with a minimum of \$7.99 per carton for the Continental U.S. and 22% of the value of each carton with a minimum of \$9.99 per carton for Canada.

Canadian members will be billed in Canadian dollars. Canadian prices are calculated by multiplying the U.S. price by the prior month's average exchange rate (as calculated by FTD<sup>®</sup>).

The exchange rate is updated on or about the first business day of each month. The rate that is in effect on the day the order was accepted by FTD<sup>®</sup> will be applied to the order.

### C. CHRYSAL AQUA PADS

Chrysal Aqua Pad is an innovative product for potted plants that helps to reduce pot plant wastage during the retail phase and ensures longer lasting freshness and shelf life. Aqua Pad is a wood fiber mat to be placed between the plant's grower pot and cover pot or gift bag. It creates a water reservoir for plants susceptible to dehydration issues, such as potted Rose, Azalea and Cyclamen. Aqua Pad consists of 100% natural fibers and is therefore 100% compostable.

#### A. FIORELLA 2.0 PRINTER

No need for PCs, discs, software or cables! User friendly — just plug in and print! This printer is equipped with a high-quality thermal printhead that heats up a thin film of resin. This process provides finely chiseled texts that are very resistant against erasure, rain, sun and cold.

Requires Standard North American Power Supply 120V-60Hz (Canada, USA & Mexico).

One-year replacement warranty. Requires printing film and ribbon shown on the next page. Using other film or ribbon voids warranty.
