### PRICING

Prices are subject to change. FTD reserves the right to accept or reject orders.

Prices do not include freight. FTD shipping and handling charges are 20% of the value of each carton, with a minimum of \$9.99 per carton for the Continental U.S. and 22% of the value of each carton with a minimum of \$11.99 per carton for Canada.

Canadian members will be billed in Canadian dollars. Canadian prices are calculated by multiplying the U.S. price by the prior month's average exchange rate (as calculated by FTD). The exchange rate is updated on or about the first business day of each month. The rate that is in effect on the day the order was accepted by FTD will be applied to the order.
