## VALENTINE’S DAY COLLECTION

Is there anything that can capture a mood or an emotion quite like the richness and velvety feel of red roses? Both lovers and flowers are beautiful, they blossom and grow in all shapes and sizes. That’s why I have created simple and sensual designs, big and bold designs, and timeless classics.

lasting romance

Rich colors elegantly fill this textured red glass vase, creating the perfect sentiment your customers will come back for again and again.

## SPRING/SUMMER COLLECTION

The first signs of Spring are the bright green buds on the tree and the brightest of green grasses popping up through the soil. I was inspired by soft and lush gardens that are designed in beds of berry pink and purple on one side of the path, and the vibrant mix of fuchsia, tangerine and lemon yellows on the other side. It’s an abundance of color, shape, and texture that awaken my creativity and enthusiasm for Spring and Summer.

the perfect day

Bursting with bright colors, this arrangement brings the fresh feeling of spring to life.

The FTD® Perfect Day™ Bouquet  
18-S2p
